As Presented by Carranza
with Military Phases
Altered

FIRST CHIEF NOW

Attitude of Conferees Not
Expressed—Villa De-
nies He's Dead

Washington, Sept. 13.—Gen. Carranza's counter proposal, to the Pan-American diplomats for a conference with him over international phases of the Mexican problem probably will be approved, according to opinion expressed here by officials in touch with the administration. Although Carranza refused to yield to the appeal of Sec. Lansing and representatives of six Latin-American republics that he join his adversaries in a peace conference, it was pointed out that military conditions in Mexico had undergone marked changes in the last few weeks, and in some quarters it was contended that Carranza's claims for recognition were entitled to investigation.

Since the Pan-American appeal was issued, Carranza's armies have pressed pacification of territory in central and northern Mexico, while some reports to the state department have declared that Gen. Villa's forces are disintegrating. From authoritative sources advice has reached Washington that it would be difficult to conduct a convention to select a provisional government in Mexico without the participation of Carranza and his military commanders, who claim now to control nearly all Mexican territory.

Sec. Lansing would not indicate Saturday how the Pan-American conference would act on Carranza's proposal. It was understood that would be determined at a meeting next week. From several sources, however, it has been learned that some of the Latin-American diplomats are inclined to give Carranza a hearing with a view to learning what he might propose, if recognized, on a de facto basis, with regard to the adjustment of war indemnities and the protection of foreign interests. Carranza, it is said, is ready to give assurances that he will, as soon as a de facto government can make arrangements, call general elections, and that he will step aside for the president chosen at that time.

As to revolution claims of foreign governments and Mexico's debts, Carranza is said to be ready to reiterate assurances he made last June.

Villa's agency in Washington declared in a statement Saturday night that it would address the Pan-American conferees regarding assertions made in Carranza's reply to their peace appeal. The statement disputes Carranza's claims of territorial control and denies the charge that Villa was bribed to turn against Carranza.

VILLA SAFE, HE WIRES

Denies Reports of Death—Did Not Execute Gen. Urbina.

Juarez, Sept. 13.—A telegram from Gen. Villa dated at Torreon, sent Saturday night and received by Hipolito Villa, brother of the northern leader, at Juarez, denied that either the northern general or Gen. Fierro had been injured

on their visit to the ranch of Gen. Thomas Urbina at Nivies, as reported at El Paso, Tex., Saturday.

Gen. Villa also denied that he had executed Gen. Urbina, but added that he had obtained from Gen. Urbina the loot which the latter had collected in two years. The report that Gen. Villa and Gen. Fierro had been killed in a fight with adherents of Gen. Urbina at Nivies was brought to the border by a Villa adherent, who said it reached him at Jimenez.

FULL CONTROL ON BORDER.

So Funston Reports—Many Mexicans Leaving Texas.

Washington, Sept. 13.—The Mexican border situation now is under full control of federal troops, Maj. Gen. Funston reported Saturday to the war department. The arrival of the 6th cavalry brings the force up to two full regiments between El Tigre, Arroyo and Brownsville, a force sufficient, according to the general, to put down any uprising or trouble by marauding bands.

About 2,000 Mexicans have recently left Brownsville for Mexico. At one ranch near Sebastian, Tex., all four Mexican tenant families have gone, leaving their crops unharvested. Other Mexicans who owned land have abandoned everything except household goods in their haste to get back into Mexico. Many of these emigrating Mexicans are what is termed "good Mexicans."

Carranza commanders on the border have been notified by the "first chief" that they will be held strictly accountable for any complications arising with the American government as the result of any overt acts by the Carranza soldiers on the border.

FLEES FROM HIS OWN MEN.

Villa General Prefers Internment in Texas.

Del Rio, Tex., Sept. 13.—Gen. Silva, in command of the Villa garrison at Las Vacas, across the river from Del Rio, fled from his own men Friday night and Saturday was interned at Del Rio. On Thursday night 200 of Silva's men deserted, leaving his command reduced to 400. Saturday Col. Carlos Filis is said to have notified and declared for Carranza. Silva's court martial is said to have sentenced Filis to death, but the majority of the troops supported Filis and Silva became a refugee. Filis is now in command at Las Vacas. Small bands of deserters from the Villa garrison are skirting the frontier and have called out a stricter patrol of the United States troops.

DIES FROM BURNS.

New York Society Leader Victim of Explosion of Alcohol Lamp at Tuxedo.

Tuxedo, N. Y., Sept. 13.—Mrs. Adelaide Kip Rhinelander, wife of Philip Rhinelander and well known in New York society, died early Saturday morning as a result of injuries suffered when an alcohol lamp on her dressing table exploded about 1 o'clock Friday afternoon when she was dressing preparatory to going out.

Mrs. Rhinelander, wearing a loose-fitting house gown, was engaged in dressing her hair. For this purpose she lighted the small spirit lamp that stood upon the dresser beside her. Her maid, leaving the room on an errand, had gone downstairs when she heard a cry, and immediately Mrs. Rhinelander called for help. The girl hastened back, but by the time she reached the head of the stairs her mistress had ceased calling. She found Mrs. Rhinelander unconscious, with her hair burned off and her clothing blackened by fire. The explosion of the lamp had showered Mrs. Rhinelander with the blazing fluid. She had apparently attempted to tear her dress off, but, failing in this, she had caught up the spread from the bed and succeeded in wrapping herself in it in such a way that the fire was extinguished. The flames had not communicated to anything in the room.

"AMERICANS" WON, 6 TO 2

Defeated "Italians" in International Come-Together on Saturday

WINNERS PLAYED
A SHARP GAME

They Also Were Assisted
by Several Bungles
by Italians

The All-American vs. All-Italian baseball game at the Italian A. C. grounds off Berlin street Saturday afternoon resulted in a victory for the All-American team by the score of 6 to 2. The teams were lined up in much the same way as the Barre A. C. and the Italian A. C., although the players were somewhat shifted.

The Italians retained the use of Weaver, who was not in his customary form Saturday, and the American bunch hammered him pretty hard. The team behind him was also a little shaky and made four errors that were all pretty costly. They hit well enough in the number of times, but the safe ones were so scattered that they amounted to very little.

The Americans were fortunate in securing the services of Williams, the Dartmouth player, who is visiting his parents in the city before returning to school, as well as those of Tom Davidson, Dan Keefe and Jack Davidson, who have been playing ball with the St. Johnsbury nine this summer, the former two returning to school at Goddard. Added to these were Gay and Lyons, who have been playing with the Italian A. C. all summer. A fast bunch of ball tossers that would make any semi-professional baseball team in the state stand up and take notice was the result of this combination.

The only error made during the game by these stars was that of Jack Davidson, when he let a speedy grounder of Ricciarelli get by. Jack made a good try but wasn't there. Later Ricciarelli scored on this, but the other score wasn't made on any error, for two singles in succession after one man had been passed on balls in the initial inning scored it.

Errors to the number of three made in the fourth inning by the Italians caused four runs for the American team; two hits in the sixth, one a double, caused one of the others; and the last came in the ninth, when Williams scored, getting first on a single, and the fourth on a sacrifice by Johnston, after Calagni had given him second by dropping the ball.

Davidson started the twirling for the American team, but in the fourth inning he turned his ankle, making it impossible for him to finish without difficulty. Dan Keefe stepped into his place and threw a fine game. He got only three strike-outs, but in his time of action only three hits of the seven were made.

The line-up and summary:

Reminders from the Bench.

As long as the crowd will attend the games, the boys are going to play baseball. Over 500 spectators present Saturday.

Football will be well on its way next week.

Umpire Horne, who was giving decisions from behind the bat, got hit in the arm in the sixth inning and retired to the bench. Scamp then took both umpiring jobs.

When Nicora got that stolen base in the seventh inning, the fans on the bleachers rather kicked on Scamp's decision. It might have meant a run for Peduzzi soon came up with a liner out to Brown in center field. A wonderful throw by Brown, for which he was given a good hand, got Nic on home.

Lyons is still suffering from a sprain received on his ankle last Saturday. He played one inning but had to limp pretty hard.

Comparatively few strike-outs were marked down Saturday—only three to each pitcher.

The two teams were nearly even in hitting, each getting a total of seven.

Tomas filled the place in left field well. Four high ones were safely batted by him.

That double play pulled off by Gay and Williams was good fast work. Peduzzi's long fly was carefully pulled down by the outfielder, and a fast return was required to get Wendler, who was not so far off second.

The winners went off not alone with the glory of winning, for a representative of the Liggett & Myers Tobacco company presented them a carton of Perfection and Patina cigarettes.

Tomas is suffering from a badly bruised finger that got stepped on while running base Saturday.

PACKEY BEATS MIKE IN FARCICAL AFFAIR

Gibbons Runs Away From Open Hand Slaps of McFarland Through Ten Rounds.

New York, Sept. 13.—Packey McFarland and Mike Gibbons indulged in a \$32,500 slapping match at the Brighton beach motordrome Saturday night and finished the 10th round with the greatest crowd that ever saw a boxing match singing "Home Sweet Home" with a vim that all but burst their throats. It is ridiculous to call it a fight. McFarland danced through the 10 rounds without hitting a solid blow. When he did land it was with the open glove. He was not hitting hard enough to knock Mike's hat off, yet Mike backed and ran away with a look of terror pictured on his face.

Just why Mike ran is hard to say. Packey was slow and couldn't hurt him, yet Mike ran like a deer when Packey's fists began to fly.

Mike's wonderful punch was evidently left in the archives of St. Paul, for he didn't have it with him Saturday night. When he did attempt to punch he either swung around Packey's neck or missed him entirely. The crowd jeered his work. Some who had come a long way to see the affair called loudly for the management to remove the handcuffs from the \$32,500 beauties.

The largest crowd that ever saw an athletic event in this country, with the possible exception of the last Harvard-Yale game, viewed the contest. Certainly never has been a fight crowd to equal it. Good judges said that there were between 35,000 and 40,000 in the motordrome, with a possible gap of \$70,000.

Announcer Humphries fired a revolver to obtain order when making the announcements.

Just after the first preliminary the crowd in the dollar seats, fully a third of a mile away from the ring, swarmed over the barrier and took possession of any seat that was unoccupied. The attendants were powerless before the stampede. Men who had coupons for box seats found their chairs filled when they arrived and many an impromptu battle for possession took place.

LOW SCORING DONE

In Weekly Tournament of Barre Golf Club Last Week.

There were 20 score cards turned in for last week at the Barre Golf club and some very low scoring was done in both classes. This tournament is drawing near its finish for this season, and by the results now it seems that there are to be a few players tied for first place in both classes. There is a cup for the winner in each class. The ex-champion, George M. Marston, turned in a card with a net score of 66, which is the lowest for the season. This score gives him an easy first for last week. R. Hutchinson takes second place with 71 net, while John Reid, H. Brown and A. Miller are tied for third place with 73 net each. Now the players in Class B. McMillan also turned in a card with 66 net, which gives him an easy first. J. Comelli takes second with 69 net, while J. C. Robertson takes third with 73 net. Below are the results for last week's tournament:

Class A.	Gross.	Hdp.	Net.
G. M. Marston	72	6	66
L. R. Hutchinson	76	5	71
John Reid	79	6	73

INVADE NO. ITALY

Austrian Forces Near Border, Says an Official Report

AND TELLS OF
THE FIGHTING

Twenty Miles from Tyrol
Frontier—Repulse
at Tolmino

Rome, Sept. 13.—Indications that Austrian forces are engaged in an invasion of northern Italy are contained in the official announcement issued Saturday night by the war office. This mentions fighting at Pizzo Recastello and upper Triano as well as Austrian attacks on the Italian positions at Monte Marone. All these places are in the region of Lake Isco, southwest of Lake Garda and about twenty miles from the nearest point on the western front of Tyrol.

The official report refers to the result of the fighting as "small successes," so that it is believed that the Austrian forces engaged were not in sufficient strength to constitute a serious menace to the Lombardy cities, although an action is reported at a place only thirty miles north of Bergamo.

Italian troops operating against Tolmino, the strong fortress on the Upper Isorno, occupied an Austrian trench on Santa Maria hill, dominating the stronghold, but were forced to abandon the position owing to a heavy fire of deadly gas bombs and "liquid fire."

ITALIANS DRIVEN BACK.

Austrian Bombs Force Invaders from Doberdo Position.

Vienna, via Amsterdam, Sept. 13.—The following official report was issued here Saturday evening covering the operations in the Italian theatre:

"Italian artillery Saturday evening great activity on the entire coastal front and against the southwestern sector of the Doberdo plateau.

"Italian infantry during the night moved forward on a front running from Vermeigliano to Monte Cosch. The fire of our bomb throwers surprised the Italians, who returned to their trenches.

ARMED LUNATIC LOOSE IN WOOD.

Maine Man Trained By Police and Citizens.

Kennebunkport, Me., Sept. 13.—Clarence Record, 32, and demented, is loose in the woods somewhere near here with a posse of officers and citizens tracking him down. He is armed. He escaped from the Augusta insane asylum several days ago. Late Thursday night a grocery store in the edge of this city was

robbed of a revolver, two razors and some groceries. The police scoured the town for the robber. Friday evening at sundown someone reported that he saw a mysterious man in the railroad yards. Fifteen minutes later Officer Leach spotted the "mysterious" man in a snow-plow car. He bombarded the car. One bullet was the reply. Then the embattled one jumped through a window of the little wooden car and raced for the woods. It was Record. He wore only an undershirt and a pair of pants. The posse was organized at once, but an all-day search Saturday was fruitless.

HOTEL GUESTS FIND HOST'S SON'S BODY

Whitefield, N. H., Man Dies in 15 Feet of Water in Big Asquam Lake.

Ashland, N. H., Sept. 13.—Archibald C. Bowles, aged 21, son of A. W. Bowles, proprietor of the Overlook house at Whitefield, N. H., was drowned yesterday afternoon at Deep Haven camp, near Sandwich, on the shore of Big Asquam lake. He drove from Whitefield in his father's car Friday with Mrs. Stearns of Brookline, Mass., who was the guest that afternoon and night of Mrs. G. H. Howes of Boston. After leaving Mrs. Stearns, Mr. Bowles drove to Campton, N. H., where he was the guest of an intimate friend. He returned to Camp Deep Haven Friday afternoon at 2 o'clock. The time set for Mrs. Stearns' departure with Mr. Bowles to Whitefield was at 3. He was asked if he would like to go in swimming. Mr. Bowles said he would, and while the ladies were in another section of the camp Bowles entered the water.

He was heard splashing in the water by Miss Ely of New Haven and Miss Monroe of Providence, who occupied a tent near the place where he was swimming. When 3 o'clock arrived and Bowles did not appear to take Mrs. Stearns in the auto to Whitefield, Miss Monroe and Miss Ely became alarmed, and they went out in a canoe and discovered Bowles' body in about 15 feet of water.

Rev. Oscar E. Mauser, who is a guest of Camp Deep Haven and whose home is in New Haven, dived for the body, and after getting it on to the wharf used every effort possible to revive the young man. Dr. J. M. Cheney of Ashland and Dr. Harry Cheney of Campton were summoned, and they made every effort possible, but to no avail, as the body had been submerged about 40 minutes.

GOV. JOHNSON VS. I. W. W.

Sacramento, Calif., Sept. 13.—Gov. Hiram W. Johnson announced in a formal statement Saturday that Industrial Workers of the World and other persons had threatened with wholesale devastation the industries of California "and even worse" unless Richard Ford and Hermann Suhl, two members of the organization serving life sentences for murder, were pardoned by a certain date, which has passed. Admitting that a survey of the entire case might justify a mitigation of the sentence imposed, the governor declared:
